

DOCK ROCK 2009

How could you help?

dockrock@burnhamhousevets.com

You could put up posters in your windows, workplace, car, etc...

Cost: Free!

You could just plain make a donation. We'll love you for it, and put your name in the programme if you're happy for us to. **Cost: up to you!**

You could sponsor a barrel of beer. Your name will appear on in the bar on a barrel, and also in a programme. It's far too boring asking for a pint of John Smith's. How about your name there, and in the programme too?

Cost: £30

You could support a band. They play for free so in return we like to feed and water them, print their contact details in a nice programme and in the press, make a great recording on the day and take some professional pictures of them. Your name will be linked to the band (may not be exclusive) and also appear in the programme and in the local press.

Cost: £60

You could book a hospitality package. Bring up to 12 people and have access all day to the hospitality marquee (no worries about the weather!). You'll be fed and watered (a quantity of beer!) to help the afternoon get off to a good start.

Cost: £150 per group

You could give us something you produce or a service you provide - do you do stationery, printing, signage, transport, catering, building, refrigeration, advertising...? Tell us about it - we can always say no if it doesn't fit! If it does, we'll put your name in the programme and tell everyone how you helped us out.

**Cost: to you, not much,
but to us it's priceless**

So now it's up to you. If you can help then just fill in the enclosed form or drop us an email at dockrock@burnhamhousevets.com and let us know what you can do so that we can plan and give you the appropriate amount of praise in the programme! And thank you so much.
